Working Experience

Prodigy infotech
Frontend Develope - *Tech Stack: Html, JavaScript, CSS*   *15/5/24 - 15/6/24*

Code Alpha   *Remote*
Technical Assistant — *Tech Stack: Html, JavaScript, CSS*   *10/6/24 - 10/9/24*

Work as TnP Coordinator
In my role as the Training and Placement Coordinator, I keep my classmates informed about placement opportunities and assist them in the application process.

Attend the Conference at VIT Pune
It was a great learning experience. Interacting with other delegates allowed me to gain detailed insights that were incredibly valuable, especially as a first-time attendee.

General Secretary of the girl's Hostel
Ensuring that, as the General Secretary, I have the leadership qualities to handle more than 300 girls in the hostel and to address issues with a calm and composed mind.

Personal Projects

Aura play

In my role, I am responsible for meticulously assessing the accuracy of a YouTube-like platform. This entails conducting thorough evaluations and tests to ensure that the project aligns with specified criteria and meets quality standards. I scrutinize various aspects such as content accuracy, functionality, and user experience, identifying any discrepancies or issues that require attention. Through my diligence, I contribute to enhancing the platform's reliability and credibility, thereby fostering user trust and satisfaction.
